

Greetings from Clemson! Every parent plans and dreams of their child's future education. At Clemson, we count on you to help keep Thomas and Anna Clemson's dream of providing exceptional educational opportunities for students of all backgrounds alive. As you and your family gather for vacations and other activities this summer, we hope you'll pause to remember the resources it takes to provide our students the skills they need to become successful in their studies and future endeavors.

Last week, alumni gathered for fun and festivities at the Clemson Alumni Association Golden Tiger Reunion and Induction Ceremony. The Golden Tiger Class of 1964 also participated in a gift celebration recognizing their donation of over \$1 million toward unrestricted scholarships and an endowment for the Class of 1956 Academic Success Center. Read more about their gift [here](#). We are always so overwhelmed by the generosity of our alumni at this event and the fun of watching old friends remember what Clemson meant to them and will mean for future generations.

As you go about your summer, think of all the students who depend on people like you to help them further their education at Clemson and to maintain our ability to provide students with top-level faculty and programs that will position them as leaders after they graduate. Thank you for your help in building a brighter future for Clemson.

We invite you to learn more about what's happening at Clemson by visiting our website or planning a visit to campus to see the changes first hand!
